AUDITORS' REPORT ON THE STATEMENT OF STANDALONE FINANCIAL RESULTS (FOR THE QUARTER AND YEAR TO DATE FIGURES) OF MONIND LTD (FORMELY KNOWN AS MONNET INDUSTRIES LIMITED) PURSUANT TO THE PROVISIONS OF REGULATION 33 OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

TO THE BOARD OF DIRECTORS OF MONIND LTD (FORMELY KNOWN AS MONNET INDUSTRIES LIMITED).

We have audited the financial results of MONIND LTD (FORMELY KNOWN AS MONNET INDUSTRIES LIMITED), "the company", for the quarter ended 31.03.2021 and the year to date results for the period 01.04.2020 to 31.03.2021, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. These quarterly financial results as well as the year to date financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) for Interim Financial Reporting, prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder; or by the Institute of Chartered Accountants of India, as applicable and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Basis for Qualified Opinion

During the year, the company has no major business activities and in view of liquidity constraints in the company, waiver of interest on short term loans is under negotiation with the lenders. In view of uncertainty as aforesaid, no provision has been made towards interest on such loans. Had the interest been provided, loss for the year would have been higher by Rs. 1047.77 Lacs (Previous Year Rs. 952.52 lacs) (based on prevailing terms & conditions of lending) with a corresponding accumulated increase in borrowings by Rs. 2525.50 lacs. Furthermore, such loan balances are subject to confirmation of balance from the lenders.

In our opinion and to the best of our information and according to the explanations given to us these quarterly financial results as well as the year to date results:

- i. are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- ii. give a true and fair view subject to the impact of the matter described in "Basis for qualified opinion" para hereinabove of the net loss and other financial information for the quarter ended 31.03.2021 as well as the year to date results for the period from 01.04.2020 to 31.03.2021.

We draw attention to the following matters in the Notes to Accounts to the Financial Statements:

Note no. 29a in the financial statements which indicates that the Company has accumulated losses resulting in erosion of net worth and has incurred net cash losses in the current and immediately preceding financial year. The current liabilities of the Company exceeded its current assets as at the balance sheet date. These conditions may cast doubt about the Company's ability to continue as a going concern.

However, in view of perception of the management, the financial statements of the Company have been prepared on a going concern.

- Note no 29c in the financial statements in respect of agreement of the company intending towards sale of its entire plant and machinery at Raipur of which final execution is still pending on account of pandemic of COVID-19.
- 3. Note No. 29d in the financial statements regarding impact of COVID-19 pandemic on the Company. Management is of the view that there are no reasons to believe that the pandemic will have any significant impact on the ability of the company to continue as a going concern. Nevertheless, the impact in sight of evolvement of pandemic in future period is uncertain.

The Statements includes the results for the quarter ended March 31, 2021 being the balancing figure between audited figures in respect of the financial year and the published year to date figures up to the third quarter of the current financial year which were subject to audit by us.
